CONVEYANCING LAWYER WANTED

ABOUT UNDERWOODS SOLICITORS

We act for high profile commercial and private clients all over the world, while remaining a small close-knit firm based in Hemel Hempstead and Cape Town. Our clients range from all types of private individuals both local, national and from abroad along with small, medium and larger businesses.

The firm generally covers the full range of work, and the only type of law that we do not do is criminal. The firm has a number of very high-profile clients including senior politicians, members of the Judiciary, footballers and actors.

All secretarial work is carried out in our office in South Africa, which also provides administrative support, as well as carrying out Anglo South African law.

We are looking for a lawyer, not a secretary – you will not be expected to type!

The work includes:

- Sales and purchases, both leasehold and freehold;
- Shared ownership;
- Transfers of equity;
- Commercial leases of shops, offices and light industrial units.

The successful candidate will be someone who takes responsibility and who wants to take part in developing and managing the firm. The role will also involve training some of our staff both in the UK and in South Africa.

To apply please send CV and covering email to robert.males@lawabroad.co.uk.
